Students who already possess an undergraduate degree, certificate, or diploma from another university or from Carleton University may apply for admission to a second undergraduate program. In such circumstances, to be eligible for graduation with an Honours degree students must present a minimum of 5.0 credits earned at Carleton University including at least 3.0 credits that are both in the Major and at the 3000-level or above. To be eligible for graduation with a General degree students must present a minimum of 5.0 credits earned at Carleton University including at least 3.0 credits that are both in the Major and at the 2000-level or above.

To be eligible for graduation with any degree with a Concentration, Specialization or Minor, students must satisfy the additional requirement that they present a minimum of 2.0 credits earned at Carleton University in each Concentration, Specialization or Minor.

Due to accreditation requirements, the minimum number of Carleton credits for students in the Faculty of Engineering and Design is half of the number of credits required in the program.

To obtain an undergraduate certificate from Carleton University, students must present a minimum of 4.0 credits taken at Carleton including all required courses. For a second or subsequent undergraduate program, the appropriate minimum number of Carleton credits must be met.
