## **Human Rights**

## **Graduation Requirements**

In addition to the requirements listed below, students must satisfy:

- the University regulations, including the process of Academic Performance Evaluation (see the Academic Regulations of the University section of this Calendar),
- 2. the common regulations applying to all B.A. students including those relating to First-Year Seminars. (see the Academic Regulations for the Bachelor of Arts Degree).

Students in the Human Rights program are exempt from the B.A. Breadth Requirement.

Students should consult the Human Rights Program Committee when planning their program and selecting courses.

Some of the Human Rights Electives have prerequisites that are not explicitly included in the program. Students should plan to have credit for the prerequisites of each course in their program or ask to have the prerequisite waived.
