# **Humanities**

The B.Hum. Honours is available with a Study Year Abroad option. Consult the B.Hum. Honours program requirements for more information.

# **Graduation Requirements**

In addition to the requirements listed below, students must satisfy the University regulations, including the process of Academic Performance Evaluation (see the *Academic Regulations of the University* section of this Calendar).

Students should consult the College and its Web site when planning their program and selecting courses.

# Academic Performance Evaluation

The Bachelor of Humanities degree specifies that all credits are included in the Major CGPA, making this average identical to the Overall CGPA. Students are evaluated on the basis of their Overall CGPA and their Core CGPA.

Students are in *Good Standing* if the Overall CGPA = 7.00 and the Core CGPA = 7.0.

A student who is not in *Good Standing* but has Overall CGPA = 6.00 and Core CGPA = 6.00 is on Academic Warning.

A student is required to leave the program with the status *Ineligible to Return* if either:

- 1. the student was on Academic Warning and does not achieve *Good Standing* at the next Academic Performance Evaluation, *or*
- 2. the student has Overall CGPA of less than 6.00 or Core CGPA of less than 6.00 at any Academic Performance Evaluation.

# **Requirement for Full-Time Study**

Students in the Humanities program must complete a minimum of 4.0 credits by the end of the summer session. The College may permit students to study abroad for a year while remaining registered in the program. For those students permitted to study abroad, Carleton credits commensurate to studies taken abroad will be determined by the College and awarded towards the student's degree. In exceptional circumstances (usually financial need or sickness) the College may also permit students to take a leave of absence for one year while remaining registered in the program.
