Public Affairs and Policy Management

Graduate Pathways

Accelerated pathways or advanced standing with transfer of credits to graduate programs at Carleton University may be available to eligible BPAPM students. Please consult the Graduate Calendar for the pathway requirements for the MA degree in International Affairs offered by the Norman Paterson School of International Affairs and the MPPA degree offered by the School of Public Policy and Administration.

Program Requirements

Language Requirement for B.P.A.P.M.

Prior to graduation, students must satisfy a language proficiency requirement in one of the following ways:

- successful completion of an approved French language credit (FREN 1100);
- placement at a demonstrated competency level equivalent to satisfactory completion of FREN 1100 following a self-assessment questionnaire and interview administered by the Department of French (for students who already possess demonstrated capacity in French);
- successful completion of French Immersion in high school or possession of a Bilingual Diploma or Certificate.

Students should note that they will be required to use one of their elective credits if they choose to satisfy the language requirement through an approved French language credit.

For students whose first language is not English, or for students whose Specialization interests require a language other than French, the Language Requirement may be met by substituting another language for French. Permission for substitution may be sought from the Program Coordinator. Students registering in the Specialization in International Studies should note the additional language requirement.

Bachelor of Public Affairs and Policy Management (B.P.A.P.M.)

Before the second year of study, students in this program must register in one of the specializations listed below.

Specialization in Communication and Policy Studies (Communication Technologies and Regulation)

Public Affairs and Policy Management (PAPM) Courses

PAPM 1000 [1.0 credit]

Introduction to Public Affairs and Policy Management

The theoretical, philosophical and ethical foundations for the study of public affairs and policy management. Drawing from classic and contemporary texts in political philosophy and theory, students will consider issues relating to the nature of democracy, civic society and social organizations, the public, public affairs and public interest.

Prerequisite(s): registration in the Bachelor of Public Affairs and Policy Management Program. Lecture and discussion three hours a week.

PAPM 2000 [1.0 credit]

Policy: Analysis, Implementation and Evaluation

The institutions and processes of policy-making, implementation and evaluation. Forces that shape policy deliberations and alternative tools for managing policy action and policy evaluation. Theoretical approaches to understanding the origins of policy, and methods by which programs are designed and assessed.

Prerequisite(s): PAPM 1000 and Good Standing in the Bachelor of Public Affairs and Policy Management program.

Lecture and discussion three hours a week.

PAPM 3000 [0.5 credit] Policy Research

An examination of the research strategies and techniques relevant to policy analysis and evaluation. Using the case study method, the role of research and research organizations in the policy process is discussed. The issue of ethical dilemmas in policy research is also considered. Prerequisite(s): PSCI 2701 and PSCI 2702, or COMM 2001, or ECON 2201 and ECON 2202 and Good Standing in the Bachelor of Public Affairs and Policy Management program.

Lecture and discussion three hours a week.

PAPM 3999 [0.0 credit] Co-operative Work Term

PAPM 4000 [0.5 credit] Capstone Seminar in Public Affairs and Policy Management

A policy workshop focusing on the application of public affairs analysis to develop problem solving and research skills. The seminar will be policy-focused and organized by area of Specialization in the program. Students, working in small groups, will examine concrete policy problems, actual or simulated, in specific institutional contexts. Prerequisite(s): PAPM 3000 and Good Standing in the Bachelor of Public Affairs and Policy Management program.

Seminar three hours a week.

PAPM 4100 [0.5 credit] Special Topics in Public Affairs and Policy Management

Analysis of selected issues in public affairs and policy management not ordinarily treated in the regular course program. The choice of topics will vary from year to year. Students should consult with the College regarding the topic offered.

Prerequisite(s): fourth-year standing in the B.P.A.P.M. program or permission of the Kroeger College. Seminar three hours per week.

PAPM 4908 [1.0 credit] Honours Research Essay

The Honours essay, which represents a major research paper in the student's Area of Specialization, is carried out under the direction of a faculty supervisor who is either selected by the candidate or assigned early in the year. The Honours essay is evaluated by both the supervisor and an appointed reader.

Prerequisite(s): fourth-year standing in the Bachelor of Public Affairs and Policy Management program.

Summer session: some of the courses listed in this Calendar are offered during the summer. Hours and scheduling for summer session courses will differ significantly from those reported in the fall/winter Calendar. To determine the scheduling and hours for summer session classes, consult the class schedule at central.carleton.ca

Not all courses listed are offered in a given year. For an up-to-date statement of course offerings for the current session and to determine the term of offering, consult the class schedule at central.carleton.ca
