Attendance and participation are compulsory.

Precludes additional credit for ALSS 2000.

Prerequisite(s): enrolment in Bachelor of Computer

Science and successful completion of all ESLR

requirements. This course may not be taken concurrently
with any ESLA course.

Lectures and tutorials three hours a week.

## CCDP 2100 [0.5 credit]

## **Communication Skills for Engineering Students**

Development of competence in written and oral communication in engineering. Focus on professional written documents (proposals, technical explanations, research reports, summaries); written responses to engineering communications; related oral work. Attendance and participation are compulsory. Precludes additional credit and weight for ECOR 2000 and ALSS 1000.

Prerequisite(s): enrolment in Bachelor of Engineering and successful completion of all ESLR requirements. This course may not be taken concurrently with any ESLA course.

Lectures and tutorials three hours a week.

Summer session: some of the courses listed in this Calendar are offered during the summer. Hours and scheduling for summer session courses will differ significantly from those reported in the fall/winter Calendar. To determine the scheduling and hours for summer session classes, consult the class schedule at central.carleton.ca

Not all courses listed are offered in a given year. For an up-to-date statement of course offerings for the current session and to determine the term of offering, consult the class schedule at central.carleton.ca
