Latin American & Caribbean (LACS) Courses

Institute of Interdisc.St.

Faculty of Arts & Social Sciences

LACS 1001 [0.5 credit]

Introduction to Latin American and Caribbean Studies

I

An introduction to the history, culture, societies, and literatures of the region. Students will get a broad overview of the region and will be introduced to the disciplines used to study these societies.

Lectures three hours per week.

LACS 1002 [0.5 credit]

Introduction to Latin American and Caribbean Studies

II

An interdisciplinary introduction to the major political, economic, environmental, and geographical issues confronting the region.

Lectures three hours per week.

LACS 4001 [0.5 credit]

Issues in Latin American and Caribbean Studies

An examination of the major issues confronting Latin America and the Caribbean including democratization, economic integration, indigenous and women's movements, human rights, social justice, and political change.

Prerequisite(s): fourth year standing or permission of the Institute.

Seminar three hours per week.

Summer session: some of the courses listed in this Calendar are offered during the summer. Hours and scheduling for summer session courses will differ significantly from those reported in the fall/winter Calendar. To determine the scheduling and hours for summer session classes, consult the class schedule at central.carleton.ca

Not all courses listed are offered in a given year. For an up-to-date statement of course offerings for the current session and to determine the term of offering, consult the class schedule at central.carleton.ca
