## French Interdisciplinary Studies (FINS) Courses

These courses are intended to meet the needs of a broad range of students who are interested in expanding their knowledge of the French-language presence in other disciplines, or in improving their passive knowledge of written and spoken French (reading and listening) with a view to applying this knowledge in other disciplines.

Some FINS courses are offered with English as the language of instruction.

### French Placement for Language Students

Students who have not previously taken a course in the French Department must complete the Placement Test on Carleton Central before registering as per instructions received through their Carleton e-mail account.
