Regulations

See the General Regulations section of this Calendar.

Minimum Grade Requirement

A grade of B- or better is required in each credit counted toward the master's degree. With the recommendation of the department, and permission of the Dean of the Faculty of Graduate and Postdoctoral Affairs, a candidate may be allowed a grade of C+ in 1.0 credit or each of two 0.5-credits.

Regularly Scheduled Break

For immigration purposes, the summer term (May to August) for the M.A. Anthropology is considered a regularly scheduled break approved by the University. Students should resume full-time studies in September.

Transfer from One M.A. Option to Another M.A. Option

Students who choose to change from one program option to another (i.e., from/to the thesis, research essay, or course work option), are required to do so before registering for a third term after initial, full-time registration, or before registering for a fifth term after initial part-time registration.

Regulations

See the General Regulations section of this Calendar.

Candidates must obtain a grade of B- or higher in each course and Satisfactory on the Ph.D. thesis and its oral defence.

Admission

M.A. Anthropology

The requirement for admission into the master's program is a B.A. Honours (or the equivalent) with at least high honours standing in anthropology or a closely-related field. Where relevant, previous professional experience will be taken into account in determining an applicant's standing on admission.

Qualifying-Year Program

Applicants with general (three-year) bachelor's degrees may be admitted into a qualifying-year program designed to raise their standing to honours status. Students earning at least high honours standing in their qualifying-year courses will be considered for admission into the master's program. Refer to the General Regulations section of this Calendar for details of the regulations governing the qualifying year.

Accelerated Pathway

The accelerated pathway in Anthropology is a flexible and individualized plan of graduate study for students

in their final year of a Carleton B.A. Honours degree in Anthropology.

Students in their third or early#fourth year of study in the B.A. Honours degree in Anthropology should consult with the Graduate Co-ordinator to determine if the accelerated pathway is appropriate for them.

Accelerated Pathway Requirements

1. ANTH courses at the 5000#level or higher with a grade of A- or higher, excluding ANTH 5900.
2. Minimum GPA in Anthropology of A-

Students may receive advanced standing with transfer of credit of up to 1.0 credit which can reduce their time to completion for the M.A. degree. The final decision on whether or not advanced standing will be granted will be made at the time of admission. Students should indicate the desire to be considered for advanced standing in their application for admission to the M.A.

Admission

Ph.D. Anthropology

The Ph.D. Anthropology normally will be undertaken on a full-time basis, however the department will consider admission on a part-time basis. Full-time students are expected to complete the program in four years, and part-time students are expected to complete the program in eight years.

The normal requirement for admission to the Ph.D. program is a master's degree (or equivalent) in anthropology, normally with a minimum average of A-, and with no grade below B.

A student already enrolled in the Carleton M.A. program in Anthropology who shows outstanding academic performance and research promise may be permitted to transfer to the Ph.D. program upon completion of the M.A. course work and upon the recommendation of the Anthropology graduate committee.

Applicants whose academic preparation has deficiencies in certain areas may be admitted to the Ph.D. program, but will normally be required to complete additional course work.

Applicants whose first language is not English must demonstrate a fluent knowledge of English. Please see sections 3.6 in the General Regulations section of this calendar.

Anthropology (ANTH) Courses

ANTH 5004 [0.5 credit]

Ecological Anthropology

Theoretical and ethnographic approaches to the production of nature across disciplinary categories and natural-cultural configurations. Specific topics considered may include ecological crisis, indigenous rights and posthuman ethnography.
