

Certificate in Science and Policy

Admission Requirements

To be eligible for admission to the Certificate in Science and Policy, applicants require:

- Completion of at least 4.0 credits in any undergraduate degree program with a minimum of a CGPA of 7.00 or higher, or;
- Completion of a college diploma (or equivalent) or a university degree in any discipline with a minimum average grade of B.

Placement in the Science or non-Science pathway will be assessed at the time of admission.
