Regulations

See the General Regulations section of this Calendar.

A standing of B- or higher must be obtained in each course counted towards the Master's degree.

Regularly Scheduled Break

For immigration purposes, the summer term (May to August) for the Master of Arts - Music and Culture is considered a regularly scheduled break approved by the University. Students should resume full-time studies in September.

Note: a Regularly Scheduled Break as described for immigration purposes does not supercede the requirement for continuous registration in Thesis, Research Essay, or Independent Research Project courses, as described in Section 8.2 of the Graduate General Regulations.

Deadlines

Thesis Proposal: full-time students normally will submit their thesis or research essay proposal to the graduate committee no later than April 15 of the first year of registration for students enrolled full-time, and no later than the middle of the fifth term of registration for students enrolled part-time.

Regulations governing requirements for the Master's thesis, including deadlines for submission, are outlined in the General Regulations section of this Calendar.

Admission Requirements

The minimum requirement for admission to the Master's program in Music and Culture is either a B.Mus. degree or a B.A. Honours degree in Music with a minimum B+ average.

Applicants with a B.A. Honours in a related discipline (e.g., Mass Communication, Women's Studies, Philosophy, or Cultural Studies), with a minimum average of B+, will also be considered provided the applicant can demonstrate a strong background in some form of music.

There are no performance requirements for admission to this degree program.

Applicants without a B.Mus. or B.A. Honours degree in Music, or a related discipline, but who have a three-year degree with a minimum average of B+, may be admitted to a qualifying year program. Students who complete the qualifying year requirements with a minimum average of B+ will be considered for admission to the Master's program.

Accelerated Pathway

The accelerated pathway in the M.A. in Music and Culture is a flexible and individualized plan of graduate study.

Students in their final year of a Carleton Bachelor of Music or Bachelor of Arts (Honours, Music Major or Minor) with demonstrated excellent aptitude for research may qualify for this option.

Students in their third-year of study in the B.Mus. or B.A. Honours should consult with both the Undergraduate Supervisor and the Graduate Supervisor of the Music program to determine if the accelerated pathway is appropriate for them and to confirm their selection of courses for their final year of undergraduate studies.

Accelerated Pathway Requirements

1. Elective MUSI courses at the 5000-level with a grade of B+ or higher.
2. Minimum overall CGPA of A-
