

Curatorial Studies
(Graduate Diplomas)

This section presents the requirements for programs in:

- Graduate Diploma in Curatorial Studies

Program Requirements

The Type 2 and Type 3 master's level graduate diplomas are designed to serve professional development needs. The Type 2 diploma is for graduate students in other programs who seek to strengthen or broaden their conceptual and technical skills in curatorial studies. The Type 3 diploma is for individuals who are not currently registered in a Carleton graduate program. Both diplomas have the same requirements and are comprised of 3.0 credits, and are designed to be completed in one year (twelve months). Students may take the program on either a part time or full-time basis.

Cognate Courses: All cognate courses will be determined in collaboration between the student, the Assistant Director of Curatorial Studies, and the Graduate Supervisor of the cognate department. For students with significant disciplinary knowledge, courses from the School of Business may be more appropriate as cognate courses.
