Regulations
See the General Regulations section of this Calendar.

Regularly Scheduled Break
For immigration purposes, the summer term (May to August) for the M.A. Migration and Diaspora Studies, including all concentrations and specializations, is considered a regularly scheduled break approved by the University. Students should resume full-time studies in September.

Note: a Regularly Scheduled Break as described for immigration purposes does not supersede the requirement for continuous registration in Thesis, Research Essay, or Independent Research Project as described in Section 8.2 of the Graduate General Regulations.

Admission Requirements

M.A. Migration and Diaspora Studies
The normal requirement for admission to the Master’s program is an Honours Bachelor’s degree (or equivalent), with at least a B+ average.

For admission to the program, applicants should normally possess a four-year undergraduate degree (or equivalent) in a humanities or social sciences discipline or interdisciplinary program. Previous coursework in Migration and Diaspora Studies is an asset. Practical experience working with migrant or diaspora issues will also be taken into consideration.

Accelerated Pathway
The accelerated pathway in Migration and Diaspora Studies is a flexible and individualized plan of graduate study for students in their final year of a Carleton University undergraduate degree.

Students in their third year of study in a Carleton University undergraduate degree should consult with both the Undergraduate Advisor in their program of study and the Migration and Diaspora Studies Program Director to determine if the accelerated pathway is appropriate for them and to confirm their selection of courses for their final year of undergraduate studies.

Accelerated pathway requirements:
1. At least 1.0 credit in Migration and Diaspora Studies elective courses (5000-level or higher);
2. Minimum overall CGPA of A-.

Students may receive advanced standing with transfer of credit of up to 1.0 credit which can reduce their time to completion.

Admission Requirements for Diploma in Migration and Diaspora Studies (Type 2)

- Enrolment in a Master’s or Doctoral degree program at Carleton University.
- Letter of support from the student’s supervisor or, if no supervisor has been assigned, a faculty member in the home program.
- A 1-2 page statement of interest from the applicant outlining the reasons for wishing to enrol in the Migration and Diaspora Studies Diploma program.

Admissions Requirements for Diploma in Migration and Diaspora Studies (Type 3)

- An Honours Bachelor’s degree (or equivalent) in a related discipline, with an average of B+ or higher. University transcripts must be submitted as part of the application.
Co-op Option

The co-op education program provides students in the MA Program in Migration and Diaspora Studies the opportunity to combine work placements with academic study. The practical experiences obtained in the workplace will reflect and extend knowledge and skills learned in the classroom and will help to develop career interests and marketable expertise. All students in the MA Program in Migration and Diaspora Studies have the opportunity to enroll in the co-op education program.

Co-op Admission Requirements

Students interested in admission into the co-op education option in Migration and Diaspora Studies must apply by the end of the first semester of academic study. To be eligible for admission to the Co-operative Education program in Migration and Diaspora Studies, students must:

1. be registered in the MA Program in Migration and Diaspora Studies;
2. have successfully completed by the start date of their first work term 2.0 credits of course requirements for the MA in Migration and Diaspora Studies which must include 0.5 credit in MGDS 5001 and an additional 0.5 credit from MGDS at the 5000 level (not including MGDS 5101);
3. be registered as a full-time student in each academic term prior to work term;
4. be eligible to work in Canada (for off-campus work placements);

Meeting the preceding requirements only establishes eligibility for admission to the co-op option - the prevailing job market may limit enrolment in it. Students should also note that hiring priority is given to Canadian citizens for co-op positions under the auspices of the Public Service Commission. Work terms for Migration and Diaspora Studies co-op students exist in a variety of public and private sector fields. Every effort will be made to ensure that there are appropriate work opportunities available, but there are no assurances that a co-op position will be found. Students with a high CGPA, enthusiasm, and potential, however, will have a competitive edge in securing co-op employment. Students will be assisted by the Carleton University Co-op Office to find work term positions.
