Admission

The minimum requirement for admission to the master's

Philosophy, with at least B+ standing (or the equivalent).

Students who have not successfully completed an
introductory logic course in philosophy (equivalent to
Carleton's PHIL 2001) at the time of their application will
be required to complete PHIL 2001 (or an equivalent)
successfully prior to registration or as part of their first year
of study. If required, completion of a logic course is extra
to the degree requirements.
Qualifying-year and M.A. applicants from an institution other than Carleton University must submit two papers.

Qualifying Year
Applicants who do not hold an Honours degree (or the equivalent) will be required to register in a qualifying-year program before proceeding to the master's program. Regulations governing the qualifying year are outlined in the General Regulations section of this Calendar.
