Environmental and Climate Humanities
(EACH)

Environmental and Climate Humanities (EACH) Courses

EACH 2000 [0.5 credit]
Introduction to the Environmental and Climate Humanities
An overview of approaches to environmental and climate change issues in the Humanities. Drawing on a range of disciplinary perspectives, students will engage with material depicting climate change and environmental topics, as well as develop research and communication strategies.
Prerequisite(s): second-year standing.
Seminar three hours a week.

EACH 4000 [0.5 credit]
Seminar in the Environmental and Climate Humanities
A capstone seminar designed to refine analytic and research skills related to environmental and climate humanities and to provide students with the opportunity to engage in a research or community engagement project, either individually or in groups. Topics vary from year to year.
Includes: Experiential Learning Activity
Prerequisite(s): EACH 2000 and third-year standing.
Seminar three hours a week.
