International Business

Degree
- Bachelor of International Business (B.I.B.) (Honours)

Admission Requirements

First Year
The Ontario Secondary School Diploma (OSSD)
or equivalent including a minimum of six 4U or M
courses. The six 4U or M courses must include English,
Advanced Functions, and one of Calculus and Vectors or
Mathematics of Data Management.

For applicants whose first language is not English, the
requirement of 4U English can also be met under the
conditions outlined in “English Language Requirements” in
the Admissions Requirements and Procedures section of
this Calendar.

Advanced Standing
Applications for admission to second and subsequent
years will be assessed on their merits, subject to available
spaces. Advanced standing will be granted only for those
courses that are determined to be appropriate for the
International Business program. Students must present an
Overall CGPA of 8.0 (equivalent to B average) or better.

Applications by B.Com. students for admission to the
second or subsequent years of B.I.B. will be assessed on
their merits. Students must present a major CGPA and an
overall CGPA consistent with the Academic Performance
Evaluation requirements for B.I.B. students. Advanced
standing will be granted for those courses determined to
be appropriate.

The program requires 0.5 credit of Calculus at the first
year university level. Application for admission will not be
considered unless this 0.5 credit is successfully completed
and transferable for the program.

On admission to the Bachelor of International Business
program, students will not receive credit for courses
with grades below C-. Students with a prior university
degree will receive advanced standing where appropriate;
however, following admission to the program a minimum of
5.0 credits will be required for the Bachelor of International
Business degree. The design of the B.I.B. program is
promised on a full year of study abroad (at third year) after
the preparations leading to it are successfully completed
at Carleton. Some transferred credits (normally electives)
may have to be forfeited in order to meet the Third-
year Study Abroad Requirement of minimum 4.0 credits
completed during year abroad.

Students who are admitted with advanced standing
may need to delay the third-year abroad requirements
until first and second year curricula are completed and
consequently delay graduation.
