Notes

- The total number of Criminology and Criminal Justice courses in the B.A. and B.A. (Honours) program may not exceed 12.5 (B.A.) and 15.0 (B.A. Honours). Consult the Institute if clarification is required.
- Students may request permission to offer courses towards the Major which are not listed as electives, including those offered by the Criminal Justice and Social Policy Summer School, as well as special topics courses offered from time to time by the Institute or Departments of Law, Psychology and Sociology. Students should consult the Institute for a listing of courses approved as alternative electives.

Regulations

In addition to the program requirements described here, students must satisfy:

1. the University regulations (see the Academic Regulations of the University section of this Calendar),
2. the common regulations applying to all B.A. students. The B.A. Breadth requirement is waived for students in Criminology and Criminal Justice.

Students should consult with the Institute when selecting courses and planning their program.

Maximum Number of CCJ Credits

The total number of Criminology and Criminal Justice credits in the B.A. and B.A. (Honours) program may not exceed 12.5 (B.A.) and 15.0 (B.A. Honours). This is the sum of credits used in the Major and Concentration PLUS free electives chosen from the list of Approved CCJ electives. Consult the Institute if clarification is required.

Field Placement Practicum

The Field Placement Practicum (CRCJ 3901 [1.0]) Practicum in Criminology I is offered at the 3000-level to students in CCJ programs. Students complete a 1.0 (or 2.0) credit Field Placement Practicum course during the fall/winter session. To be eligible for the Practicum students must have completed at least 9.0 credits by May 1, including all of the 1000- and 2000-level requirements in the Major CGPA. Enrollment is restricted. A floating cutoff will be used to identify the students with the highest Major CGPA over those required courses, who may then receive permission to register for the Field Placement. Allocation of Field Placements will be determined by the Field Placement Coordinator.

Students wishing to register for a Field Placement Practicum must apply to the Institute no later than May 1 of their second year. Applications are available at carleton.ca/criminology after January 1. If granted permission, students will then register in CRCJ 3901 [1.0] Practicum in Criminology I during registration. Students in the B.A. Honours program may receive permission to complete a 2.0 credit placement, in which case they will also register in CRCJ 3902 [1.0] Practicum in Criminology II.
B.A. Regulations

The regulations presented below apply to all Bachelor of Arts programs. In addition to the requirements presented here, students must satisfy the University regulations common to all undergraduate students including the process of Academic Continuation Evaluation (consult the Academic Regulations of the University section of this Calendar).

First-Year Seminars

B.A. degree students are strongly encouraged to include a First-Year Seminar (FYSM) during their first 4.0 credits of registration. Students are limited to 1.0 credit in FYSM and can only register in a FYSM while they have first-year standing in their B.A. program. Students who have completed the Enriched Support Program (ESP), the Indigenous Enriched Support Program (IESP), or who are required to take a minimum of one English as a Second Language (ESLA) credit are not permitted to register in a FYSM.

Breadth Requirement

Among the credits presented at graduation, students in both the B.A. and the B.A. Honours degrees and B.Co.M.S. are required to include 3.0 breadth credits, which must include 1.0 credit in three of the four breadth areas identified below. Credits that fulfil requirements in the Major, Minor, Concentration, Specialization, or Stream may also be used to fulfil the Breadth Requirement.

Consult the Academic Regulations of the University section of this Calendar for information regarding study on exchange or Letter of Permission.

Admissions Information
Admission requirements are based on the Ontario High School System. Prospective students can view the admission requirements through the Admissions website at admissions.carleton.ca. The overall average required for admission is determined each year on a program-by-program basis. Holding the minimum admission requirements only establishes eligibility for consideration; higher averages are required for admission to programs for which the demand for places by qualified applicants exceeds the number of places available. All programs have limited enrolment and admission is not guaranteed. Some programs may also require specific course prerequisites and prerequisite averages and/or supplementary admission portfolios. Consult admissions.carleton.ca for further details.

Note: If a course is listed as recommended, it is not mandatory for admission. Students who do not follow the recommendations will not be disadvantaged in the admission process.
